

## British Safety Council Level 2 Certificate in COSHH Risk Assessment

This Course is intended to give Site Supervisors a clear understanding of how Health and Safety affects their role and practical steps they can take to ensure a safe site, especially towards COSHH Assessment.

### Target Audience

Anyone who has a day-to-day responsibility for Site Health and Safety Supervision. The Health and Safety at Work Act includes **ALL** workplaces. This includes self employed Plumbers/Joiner, builders etc.

The BSC Awards Level 2 Certificate in COSHH Risk Assessment aims to ensure candidates have an overview of their responsibilities for the Health and Safety of the Workplace/Site and an awareness of COSHH and its requirements.

### Course Content and Agenda
