

Fire Safety Awareness Course

The **General Fire Awareness Course** is ideal for all businesses. It is aimed at all members of staff, and other persons who may have cause to use a portable fire extinguisher.

This course provides students with greater awareness and understanding of fire and how to limit the threat to life and property.

Objectives

At the end of the session personnel will;

- Understand the composition of fire
- Understand how fires spread
- Know the main causes of fire
- Appreciate basic fire precautions
- Understand the importance of good housekeeping
- Appreciate the importance of the Means of Escape
- Know what actions to take on discovering a fire
- Be able to identify the main classes of fire
- Be able to identify each type of fire extinguisher
- Know how and when to use different fire extinguishers
- Advise/refresh staff on workplace fire safety
- Understand the reasons for fire safety legislation
- Be aware of the threat/character profile/countermeasures of Arson

Certificate

A certificate of attendance will be issued to all students.
